

CORNELL COOPERATIVE EXTENSION OF ST. LAWRENCE COUNTY, NATURE UP NORTH, INDIAN CREEK NATURE CENTER AND THE NICANDRI NATURE CENTER PRESENT

# BIOBLITZ SUMMER

A bioblitz is a species scavenger hunt, a race against the clock, and a fun way to learn about the variety of life in an area. Join us this summer as we find and identify as many species as possible in these mini bioblitzes at sites around the North Country. All materials and instruction provided, all ages welcome. Free.
